FULL-SERVICE LOGISTICS PARTNER FOR FASHION, SPORTS & LIFESTYLE

At VIM, we are your full-service logistics partner, specialized in fashion, sport, and lifestyle.

VIM assists European customers with their global logistics and provides non-European customers with a gateway to the European market. Our team provides complete carefree service with a focus on sustainable collaborations and personal attention. *At VIM, you are not just a number; you are a valued partner.*

Our comprehensive services and direct communication ensure that you can rely on top quality and reliable service. With over 50,000 m² of warehouse space spread across multiple countries, we can serve both national and international customers.

Whether you operate B2B or B2C, VIM supports your growth, both nationally and internationally. Thanks to our strategic partners and global approach, we offer excellent value for money and the flexibility you need to expand your boundaries.

VIM'S CORE VALUES

- Personal attention
- Reliable logistics
- Global reach, local expertise
- Seamless supply chain from producer to consumer
- Flexible and responsive to your needs
- No activity, no costs

ONE-STOP-SHOP: EVERYTHING UNDER ONE ROOF AT VIM!

At VIM, we offer a 'one-stop-shop' experience for all your logistics needs. This means you can come to us for a wide range of services, eliminating your dependence on multiple suppliers.

From purchasing and inventory management to packaging and shipping - we handle all your fashion, sports and lifestyle logistics for you. By providing everything under one roof, we make the ordering process simpler, more efficient, and faster.

This not only saves time and costs but also allows you to focus on what truly matters: your core business.

WHY CHOOSE VIM?

VIM's warehouses are located in the logistic center of The Netherlands. The location is easy accessible and receives daily deliveries from the harbour of Rotterdam, the largest harbour in Europe.

Our customers benefit from shorter leadtimes; goods are faster available for sales.

Article 23; a great advantage for importing goods to The Netherlands. With this document, our customers do not need to pay VAT upon arrival of the goods. This has positive impact on the cash flow position.

WHAT CAN WE DO FOR YOU?

Anything. Well, nearly anything. VIM has the logistical option of providing solutions to any challenge.

VIM has divided its services into primary categories. Visit the website www.vimfashionlogistics.com for all activities per category.

INBOUND

At VIM, we understand how crucial it is to manage incoming goods promptly and efficiently. Whether it's sea freight, air freight, rail, express deliveries, or road transport, we are well-versed in the entire spectrum of inbound logistics.

Our team excels in customs clearance, import duties, and receiving deliveries from around the globe. We collaborate with warehouse partners in regions such as China, the UK, and North America.

OUTBOUND

We offer a comprehensive range of options for global business and consumer destinations for outbound freight. From small parcel shipments to express deliveries and freight shipments ranging from a single pallet to full truckloads.

We deliver directly to distribution centers of retailers such as Action, Amazon, Argos, Carrefour, Galeria Kaufhof, Wehkamp, El Corte Ingles, Zalando, MyTeresa, Smallable and Farfetch. VIM can deliver anywhere, anytime.

WAREHOUSING (BREAKBULK STORAGE E-FULFILMENT)

VIM has several own warehouses spread across multiple countries, from where various national and international customers are provided service. A total of more than 50,000 m² of warehouse space is used. VIM's warehouses specialise in the fashion, sports, and lifestyle industries, allowing us to efficiently handle a wide range of processes in these sectors.

With our global expertise, we are able to serve the entire industry. Find out more about our warehousing options, such as bonded warehouses, IT-solutions, e-fulfilment options, our breakbulk solution, and our unique Golden Floor service on our website www.vimfashionlogistics.com

SUSTAINABILITY

At VIM, we believe that sustainability is the key to a future-proof logistics sector. VIM selects transport partners based on their environmental responsibility. We take waste management into account and strive to minimize it as much as possible. We pay close attention to packaging by using sustainable materials and optimising packing efficiency. Additionally, we encourage both our staff and customers to make continuous improvements.

Our commitment to sustainability stems from the belief that as a company, we have a responsibility to contribute to a healthy planet and a better society.
